Copenhagen Photo Festival is looking for volunteers

Copenhagen Photo Festival presents the finest Danish and international photography. It's the leading photo event in the Nordic countries. This year the festival takes place from June 5th-15th 2014, during which period the entire city will be consumed by all types of photography – such as documentary, portraits and art photography. This year marks the festival's fifth anniversary, as it was held for the first time in 2010.

The festival program is packed with projects and events and we are therefore looking for volunteers, who want to be part of the festival team and try their hand at the various aspects of the execution.

We're looking for:

Photographers to cover the festival

We'd love to have guest photographers to take pictures during the festival. It could be pictures of photo exhibitions before or during the festival or activities taking place during the festival. The pictures will be used for external communication on our social media, for example Facebook and Flickr. Each photographer will of course be credited. We prefer people who have experience with photography already.

Bloggers

In recent years the festival has used its blog to make updates on what is happening on the Danish photo scene. This year we would like it to function as more than this and we are therefore looking for guest bloggers who want to write

posts for the blog both before and during the festival. The posts could be reviews of photography exhibitions, photographer portraits or something else. During the festival, we would like to tell the stories behind the exhibited photographs.

Tour guides

During the festival, we turn Carlsberg Byen into a Photo City with photo exhibitions, artist talks, and the festival info center. Guided tours will be held in the exhibitions every day and we are therefore looking for talented and dedicated tour guides who want to give the visitors a good experience. The tours are conducted daily between 2 PM-3 PM. You should be able to take at least three tours during the festival.

Guards

We are looking for guards who want to help us look after our exhibitions. The exhibitions will mainly be in Photo City and they will be open daily from 10 AM-6 PM. The guards always sit together in pairs when working and you will receive meals in that period. You must be able to take at least two full days as a guard.

If you want to volunteer at Copenhagen Photo Festival please write us a few words about yourself. We need the following information:

- Your contact information
- What would you like to help with?
- What days are you able to work during the festival?

NB! Meeting time is always 15 minutes before your shift / tour starts.

You will receive a work schedule and a more detailed description of your work by 20 May After that you must confirm definitively whether you are still interested in participating.

You can email us at Anja Knarhøj Knudsen at akk@copenhagenphotofestival.com or Martha Maria Wagner at mmw@copenhagenphotofestival.com.
